This collection is available at The State Historical Society of Missouri Research Center-Kansas City. If you would like more information, please contact us at kansascity@shsmo.org.

Introduction
The collection consists of a single reel of microfilm containing a patient register kept by Woodford Martin, a physician in Savannah, Missouri, between 1905 and 1926. The register includes the patient’s name and the services rendered to the patient. The register includes an index by patient name.

Woodford Martin was born on November 30, 1843, in Savannah, Missouri. In 1866, Martin married Louisa Goodloe; together they had two sons. After the death of his wife in 1869, Martin attended medical school in Louisville, Kentucky. Upon receiving his medical license after graduation, Martin returned to Savannah, Missouri, and became the first official physician for Andrew County, Missouri. Martin practiced medicine in Missouri for nearly sixty years before his death on September 15, 1929.

Donor Information
The papers were donated to the University of Missouri by the Andrew County Historical Society on November 16, 1985 (Accession No. KA0334).

Copyright and Restrictions
The Donor has given and assigned to the University of Missouri all rights of copyright, which the Donor has in the Materials and in such of the Donor’s works as may be found among any collections of Materials received by the University from others.

Location Note
The collection is stored onsite.
