**Introduction**

Approximately 17 cubic feet

The collection consists of the organizational records of the Baptist-Lutheran Medical Center Auxiliary. Materials include annual reports, board minutes, financial records, medical reports, surveys, newspaper clippings, commemorative booklets, newsletters, flyers, event programs, brochures, photographs, slides, photograph albums, calendars, and video tapes.

The Baptist-Lutheran Medical Center Auxiliary was officially formalized in 1948. The goal of the Auxiliary was to establish the Baptist Memorial Hospital in conjunction with the Kansas City Baptist Association and the Board of Founders for a Baptist hospital. On January 20, 1960, the hospital opened its doors at its location at 66th Street and Rockhill Road, Kansas City, Missouri. Through the late 1960s and 1970s, the hospital underwent numerous renovations and expansions owning to increases in patient numbers and advancements in medicine.
