This collection is available at The State Historical Society of Missouri Research Center-Kansas City. If you would like more information, please contact us at kansascity@shsmo.org.

**Introduction**
Approximately 6 cubic feet

The collection consists of the organizational records for the Cave Spring Association, an urban nature center and historic overland trails site. Materials include meeting minutes, correspondence, reports, financial records, research, and informational files.

The Cave Spring Association is a not-for-profit organization founded in 1975 to preserve the historic Santa Fe Trail within the Cave Springs area in Jackson County, Missouri. The organization also manages and maintains William Klein Park and the Art Clark Memorial Nature Center. In 1978, the site was placed on the National Register of Historic Places.

**Donor Information**
The records were donated to the University of Missouri by the Cave Spring Association on January 30, 1981 (Accession No. KA0311). An addition was made on January 9, 1992 by Sylvia Mooney on behalf of the Cave Spring Association (Accession No. KA0665).

**Copyright and Restrictions**
The Donor has given and assigned to the University of Missouri all rights of copyright, which the Donor has in the Materials and in such of the Donor’s works as may be found among any collections of Materials received by the University from others.

**Location Note**
The collection is stored offsite and will need to be retrieved before viewing.
