Historical Note:

The Missouri Federation of Women's Democratic Clubs was organized in 1931, including women's Democratic clubs from across the state, many of which date back to the ratification of the 19th Amendment in 1920. Local clubs are organized within Missouri's eight Congressional Districts. These clubs elect district presidents who act as liaisons to the MFWDC's Executive Board of Directors. The MFWDC is associated with the National Federation of Democratic Women. The organization aims to unite and empower Missouri women while promoting the cause of the Democratic Party.

Most of the items in this collection come from the activities of MFWDC's 6th Congressional District, a collection of several counties in Northern Missouri that includes the Kansas City metropolitan area.
