Creator: Heritage League of Greater Kansas City

Collection Size: 2 cubic feet

Introduction

The Heritage League was a forum made for the historical organizations of the Greater Kansas City Area meant to aid in cooperation between these agencies for communications. The League began in the 1980's informally with members meeting and establishing communications and relationships. Eventually it was brought in by the State of Missouri to offer workshops and events based on preservation and education. These papers include files on special events, programs, and workshops initiated by the group.

Restrictions

The Donor has given and assigned to the University of Missouri all rights of copyright, which the Donor has in the Materials and in such of the Donor's works as may be found among any collections of Materials received by the University from others.

Preferred Citation

[Specific item; box number; folder number] *Heritage League of Greater Kansas City Records* (KA2669); The State Historical Society of Missouri Research Center-Kansas City [after first mention may be abbreviated to SHSMO-Kansas City].
