Historical Note:

The Green Ridge School District No. 2 was organized on April 19, 1892. At its organizational meeting, H. N. Buchanan was elected chairman of the new district. The first order of business was to build a schoolhouse “as near the center of the District as a suitable building place can be found.” The school was ultimately located in Section 17, Township 38 North, Range 19 West. The site was on an acre of ground donated by Thomas J. Flippin on a ridge north of the Little Niangua River. Flippin also donated ground for the Green Ridge Church south of the schoolhouse site.
