This collection is available at The State Historical Society of Missouri Research Center-St. Louis. If you would like more information, please contact us at stlouis@shsmo.org.

Introduction
Approximately 13 cubic feet

The James Weldon Click papers primarily document his efforts to rid United Electrical Local 1102 of Communist influence and establish the new International Union of Electrical, Radio, and Machine Workers of America-CIO, (IUERNWA). The collection contains meeting minutes, convention materials, correspondence, labor agreements, photographs, and a scrapbook.

Donor Information
The papers were donated to the University of Missouri by Alice Click on August 2, 1990 (Accession No. SA2962).

Copyright and Restrictions
Materials in this collection may be protected by copyrights and other rights. See Rights & Reproductions on the Society’s website for more information about reproductions and permission to publish.
