Introduction
Approximately 115 cubic feet, 45.5 GB

The Missouri Humanities Council Records contains grant proposals, evaluations, development meeting minutes, program guidelines, reports, and newsletters pertaining to the group’s mission to assist libraries, museums, and other organizations in promoting educational programs focusing on history, law, ethics, philosophy, and anthropology. The majority of the collection contains grant proposals submitted to the Missouri Humanities Council by various organizations in Missouri; the grant proposal files include the proposals, correspondence, and program evaluations. The Missouri Humanities Council was founded in 1971 and is affiliated with the National Endowment for the Humanities. It has offices in Kansas City and St. Louis. The materials in this collection date from 1971 to 2020.
