This collection is available at The State Historical Society of Missouri. If you would like more information, please contact us at research@shsmo.org.

Introduction
Approximately 16 cubic feet, 472.9 GB

The papers of Geoffrey Wade Donnan contain correspondence, family histories, photographs, scrapbooks, and newspaper clippings relating to Geoffrey Wade Donnan’s research on the Donnan, Wessel, Schaefer, and Coe families. Throughout his research, Donnan collected and maintained his relative’s papers, including his parent’s, Dwight and Gloria Donnan, correspondence, which constitutes the bulk of the collection. Materials of interest include Dwight’s letters to Gloria during World War II, in which he served as a staff sergeant in the 255th Infantry Regiment, 63rd Infantry Division. Dwight recounts to Gloria crossing the Rhine River into Germany, as well as encountering German prisoners of war. The collection also contains a digital component, approximately 473 gigabytes of digitized family photographs, census records, and death certificates. Included in the digital materials are oral history interviews Geoffrey Donnan conducted with Dwight Donnan on the history of the Donnan family. The materials in this collection date from 1854 to 2015.

Donor Information
The papers were donated to the State Historical Society of Missouri by Nancy Donnan on June 5, 2018 (Accession No. SA4358).

Copyright and Restrictions
The Donor has given and assigned to the University all rights of copyright, which the Donor has in the Materials and in such of the Donor’s works as may be found among any collections of Materials received by the University from others.
