Historical Note:

In 1986, the Katy Trail State Park was developed from the former rail lines of the Missouri, Kansas, and Texas Railroad, which ran through many cities in Missouri. The former rail lines were converted into gravel surface trails which are now used by cyclists, runners, hikers, and dog walkers.

Arrangement:

The collection has been arranged into the following series:

Newspaper Clippings and Ephemera

Scope and Content Note:

Newspaper Clippings and Ephemera
