INTRODUCTION

The *Center and Periphery* newsletter was a College of Arts and Science faculty newsletter resulting from concern over communications breakdown within University of Missouri-Columbia. The newsletter ceased publication when UMC-NEA chapter was organized and began publishing *Faculty Perspectives*. Included are statements of purpose and editorial policy, and discussions of academic freedom, faculty responsibilities, political pressures vs. educational needs, teacher/course evaluation, pertinent book reviews, admission and budget policies, role and scope proposal, library, salary studies, and other issues.

DONOR INFORMATION

The records were donated to the University of Missouri by John Lankford on 12 March 1971 (Accession No. 3870). An addition was made on 7 August 1979 by Lankford (Accession No. 4236).
