INTRODUCTION

Correspondence and files of student chapter of Women in Communications and its predecessor, Theta Sigma Phi, national honorary professional organization for women in journalism.

DONOR INFORMATION

The records were donated to the University of Missouri by Jean Gaddy Wilson on 11 August 1988 (Accession No. 4864).

SCOPE AND CONTENT NOTE

The records have been arranged into the following six series:

Correspondence
Membership
Publicity Workshop
Newsletters
Press Releases
Publications

The **Correspondence** series consists of letters between members regarding various events, workshops, and conferences, as well as letters to other organizations.

The **Membership** series consists of manuals on how to structure a chapter, member lists, reports, the chapter's search for faculty advisors, etc.

The **Publicity Workshop** series consists of material on a publicity workshop, which was attended by a number of Columbia's professional journalists, representing the local news and media, sponsored by Theta Sigma Phi on September 26, 1959. Also includes selected material from the chairman's scrapbook.

The **Newsletters** series consists of articles, announcements, job information, advancements, honors and awards, publications, and death announcements.

The **Press Releases** series consists of announcements issued from the University of Missouri Office of Public Information regarding items and subjects of journalistic interest.

The **Publications** series consists of magazines dealing with women in communications.
