

Missouri City and County Government Documents Collection (C4190)

Collection Number: C4190

Collection Title: Missouri City and County Government Documents Collection

Dates: 1941-1994

Creator: Schroeder, Walter, collector

Abstract: The collection contains annual reports, budget and financial reports, city ordinances, city planning documents, audits, community development reports, and land use documents for various cities, counties, and regions in Missouri.

Collection Size: 22 cubic feet

Language: Collection materials are in English.

Repository: The State Historical Society of Missouri

Restrictions on Access: Collection is open for research. This collection is stored off site. Please provide us at least two days advance notice if you would like to view this collection in Columbia. Please e-mail us at research@shsmo.org. Collections may be viewed at any research center.

Restrictions on Use: Materials in this collection may be protected by copyrights and other rights. See [Rights & Reproductions](#) on the Society's website for more information about reproductions and permission to publish.

Preferred Citation: [Specific item; box number; folder number] *Missouri City and County Government Documents Collection* (C4190); The State Historical Society of Missouri Research Center-Columbia [after first mention may be abbreviated to SHSMO-Columbia].

Donor Information: The collection was donated to the State Historical Society of Missouri by the University of Missouri Geography Department through Walter Schroeder during the 1990s (Accession No. CA6406). The collection was transferred from the Society's Reference Collection to the Manuscript Collection in 2015 and 2018.

Processed by: Processed by Laura Jolley on May 29, 2015. Revised by Elizabeth Engel on November 2, 2018.

Historical Note:

Walter A. Schroeder collected these Missouri government documents while on the faculty of the Geography Department at the University of Missouri.

Arrangement:

There is no arrangement. Material is largely described in the order it was received from the Society's Reference Collection.

Scope and Content Note:

The collection covers all regions of Missouri.
