

Missouri Architectural Collection (K0009)

Collection Number: K0009

Collection Title: Missouri Architectural Collection

Dates: 1903-2003

Creator: The State Historical Society of Missouri

Abstract: The Missouri Architectural Collection is an artificial collection combining various small acquisitions related to Missouri architecture. The collection contains architectural drawings of buildings constructed in the state of Missouri, as well as buildings designed by various Missouri architects in other states. The Missouri Architectural Collection continues to have material added to it. New additions are added to the end of the collection.

Collection Size: 48.53 cubic feet
(14 folders, 37 photographs, 20 negatives, 1 volume, 1 microfilm, 177 rolled items)

Language: Collection materials are in English.

Repository: The State Historical Society of Missouri

Restrictions on Access: Collection is open for research. This collection is available at [The State Historical Society of Missouri Research Center-Kansas City](#). If you would like more information, please contact us at kansascity@shsmo.org. Collections may be viewed at any research center.

Restrictions on Use: Materials in this collection may be protected by copyrights and other rights. See [Rights & Reproductions](#) on the Society's website for more information about reproductions and permission to publish.

Preferred Citation: [Specific item; box number; folder number] *Missouri Architectural Collection* (K0009); The State Historical Society of Missouri Research Center-Kansas City [after first mention may be abbreviated to SHSMO-Kansas City].

Donor Information: See collection information folder for donor information.

Accruals: Further accruals are expected.

Processed by: Processed by Rachel Forester April 2017. Revised by Rachel Forester August 2018. Revised by Rachel Forester December 2019.

Historical Note:

See collection information folder for historical note.

Arrangement:

The collection has been arranged by type. The rolled items have been arranged chronologically within each box.

Scope and Content Note:

The Missouri Architectural Collection is an artificial collection combining various small acquisitions related to Missouri architecture. The collection contains architectural drawings of buildings constructed in the state of Missouri, as well as buildings designed by various Missouri architects in other states. See the index for a listing of architects, companies, and institutions. Note that box 002 contains oversize items.
