Arthur Mag (1896-1981) Papers

[Jewish Community Archives]

1921-1981

394 folders and 3 volumes (8 cubic feet)

Personal and civic papers of a prominent attorney and civic leader in Kansas City.

BIOGRAPHY:

Arthur Mag was born in New Britain, Connecticut, October 11, 1896. He graduated from the public schools in New Britain and entered Yale College in 1914. He received a B.A. degree in 1918 from Yale and in 1920 received an LL.B. from Yale Law School.

Shortly after graduation from Yale Law School, Mag came to Kansas City (July 1, 1920), and thereafter acquired employment in the law firm of Rozzelle, Vineyard, Thatcher & Boys. By 1924 became a full partner in the firm, which later became Stinson, Mag and Fizzell, a leading law firm in Kansas City.

Mag's law practice was primarily focused on corporate and estate matters. He developed the concept of organizing trusts dedicated to the permanent benefit of humanity rather than being limited to any specific cause. Through his efforts the Carrie J. Loose Trust, the Edward F. Swinney Trust, the Jacob L. Loose Trust and the Ella C. Loose Trust were brought together for administrative purposes in the Kansas City Association of Trusts and Foundations. These trusts, joined by others in succeeding years, are dedicated to providing for the public benefit of the citizens of the city as determined by the trustees. This concept was a novel idea in the development of trusts as it gave the trustees the authority to use the proceeds of the trusts for the changing needs of the public. Mag was a multi-faceted, talented person. His association with major corporations took form not only as heir legal advisor but also as a member of the Board of Directors for corporations such as Interstate Hosts, Inc., Price Candy Company, Spencer Chemical Company, the Marley Company, First

National Bank of Kansas City, Katz Drug Company and Standard Milling Company to name a few. He also served long and ably on numerous non-profit organizations' Boards of Directors. He helped found the Midwest Research Institute, the Menorah Medical Center and the University of Kansas City (now the University of Missouri-Kansas City), and served on the board of the Menniger Foundation as well as the National Institute of Mental Health. Mag served on a number of local, state and national commissions including the Mayor's Commission on Civil Disorder in 1968, the Missouri Governor's Committee on Delinquency and Crime, 1966-1969, the Missouri Governor's Task Force on the Role of Private Higher Education in Missouri, 1970, the Civic Council of Greater Kansas City and the Committee for Economic Development.

Mag continued in his service to the community until his death on October 23, 1981. On that date he died of a heart attack while in Los Angeles on a business trip. He was 85 years old.

DESCRIPTION OF THE PAPERS:

This collection is divided into six categories of records, which reflect the filing distinctions maintained in the original records.

1. A small (three folder) section includes biographical information on Mag, especially as seen through draft entries for various biographical publications. (Folders 1-3)

2. A large section of correspondence, arranged chronologically, is the second series of records. This correspondence includes mostly personal correspondence relating to his family, financial dealings, personal interests, travel and the like. This is not legal case file correspondence. (Folders 4-210)

3. A series of "fact memoes" comprise the third section. These memos represent material Mag developed to record incidental, non-correspondence, information. Travel itineraries, financial memoranda, prospectuses and other information are included in these chronological files. (Folder 211-264)

4. A series of awards and honors were conferred on Mr. Mag throughout his lifetime. He maintained a series of files on these awards and filed correspondence and other material related to those awards in the special category. (Folders 265-274)

5. Mr. Mag's speeches form the fifth section of the collection. They are arranged chronologically. (Folders 275-288)

6. A final section of the collection includes material related to the various commissions, foundations, public organizations or committees on which Mr. Mag served. The material related to each of these individual organizations is maintained as a unit in this section of the records.

In 1953, Mag reviewed his earlier personal files and pulled those materials he deemed to have no permanent significance. The papers prior to 1970, therefore, reflect Mr. Mag's interpretation of what was historically valuable. A much more complete record is available for the post 1950 period.
