

**PRELIMINARY INVENTORY**  
**K0465 (KA0590)**  
**NATIVE SONS OF KANSAS CITY (NSA) COLLECTION**  
**[NSA]**

This collection is available at [The State Historical Society of Missouri Research Center-Kansas City](http://The State Historical Society of Missouri Research Center-Kansas City). If you would like more information, please contact us at [kansascity@shsmo.org](mailto:kansascity@shsmo.org).

**Introduction**

Approximately 36 cubic feet.

The collection consists of manuscripts, documents, photographs, books, maps, and oversize materials related to the history of the Kansas City collected by the Native Sons and Daughters of Greater Kansas City.

The Native Sons and Daughters of Greater Kansas City formed in the fall of 1932. According its website, the organization is “dedicated to the historic preservation of the unique and rich heritage of the greater Kansas City metropolitan area, both in Missouri and Kansas, through advocacy, education and restoration.” The organization also seeks to preserve items and documents of historical interest pertaining to the development, people, and activities of the Kansas City area.

**Donor Information**

The collection was donated to the University of Missouri by the Native Sons and Daughters of Greater Kansas City on July 17, 1990 (Accession No. KA0590).

**Copyright and Restrictions**

The Donor has given and assigned to the University of Missouri all rights of copyright, which the Donor has in the Materials and in such of the Donor’s works as may be found among any collections of Materials received by the University from others.
