

PRELIMINARY INVENTORY
K0507 (KA1927)
INSTITUTE OF COMMUNITY STUDIES RECORDS

This collection is available at The State Historical Society of Missouri Research Center-Kansas City. If you would like more information, please contact us at kansascity@shsmo.org.

Introduction

Approximately 23 cubic feet

The collection consists of reports and studies compiled and researched by the Institute of Community Studies, a Kansas City based research think tank, which focused on social welfare and educational issues in the Kansas City metropolitan area. Additional materials include correspondence, research data, and administrative files.

The Institute of Community Studies was established in the fall of 1949 in Kansas City, Missouri, with support from the Kansas City Association of Trust and Foundations. The organization provided research services and an independent reviewer of social conditions within the Kansas City metropolitan area. The primary areas in which the organization focused were health and medical services, public affairs, and social issues.

Donor Information

The records were donated to the State Historical Society of Missouri by the University of Missouri-Kansas City, Miller Nichols Library on April 4, 2011 (Accession No. KA1927).

Copyright and Restrictions

The Donor has given and assigned to the State Historical Society of Missouri all rights of copyright, which the Donor has in the Materials and in such of the Donor's works as may be found among any collections of Materials received by the University from others.

Location Note

The collection is stored offsite and will need to be retrieved before viewing.
