Greater Kansas City Chapter of Hadassah Records

[Jewish Community Archives]

1916-2010

20 cubic feet, oversize

Organizational records of a Jewish women's organization dedicated to strengthening the relationship between the United States and Israel.

HISTORY:

Founded in 1912 by the Zionist scholar and activist Henrietta Szold, Hadassah, the Women's Zionist Organization of America, is a volunteer women's organization dedicated to strengthening their partnership with Israel as the renaissance of the Jewish people in their historic homeland, ensure Jewish cultural continuity, and realize their potential as a dynamic force in American society. In Israel, Hadassah has sponsored land development and has initiated innovative health care, education, and youth institutions to meet the country's changing needs, while in the United States it has enhanced the quality of American and Jewish life through its education, Zionist youth programs, health care promotion, and the personal enrichment and growth of its members.

Chartered one year after Hadassah's establishment (1913) with its original board consisting of Mrs. S. Z. Cohn (first president), Sadie Berger (first treasurer), and Sarah Peltzman (who set the record for the longest presidential tenure with eight consecutive terms from 1916-1924), the Greater Kansas City Chapter is one of the oldest and largest of its 25 chapters in the United States. Beginning with 11 members at its founding, its membership increased to 350 by 1920 and 2,400 by 1954. Currently, its groups consist of the Nurses' Council (involved with nursing training at Hadassah Medical Organization in Jerusalem), Aviva (women aged 30-45), B'not Or (women aged 20-40), Herzl L'Chaim (senior group), and N'shei Tikvah (core volunteer group).
