Historical Note:

Brandeis University National Women's Committee formed in 1948, the same year as Brandeis University. The organization provides financial support to the University's library, and is the largest friends-of-a-library group in the world with 25,000 members nationwide.

Gladys Helzberg, Mildred Newman, Helen Blond, Gertrude Dann, Fanny Feld, Charlene Mag, Florence Margolin, and Julia Terte, with Gladys Helzberg acting as the first president, chartered the Greater Kansas City Chapter of the Brandeis University National Women's Committee in 1952. The organization provided social activities for members along with educational activities for the community. The organization's largest event was their annual book sale, where they sold books to the public. In 2005, the Greater Kansas City Chapter decided to end their annual book sale. In 2013, the chapter was closed by the National Committee.
