[Jewish Community Archives]
1980; 2001
Two volumes

Two medical volumes edited by Dr. Jacobs.

BIOGRAPHY:

Receiving his premedical education at the University of Michigan, Dr. David Jacobs stayed at UM for Medical School where he did his residency in Anatomic and Clinical Pathology. After service in the U.S. Army Medical Corps as a pathologist for a 13 month residency, he completed the pathology program and received additional professional experience in clinical pathology in Chicago. Certified in Anatomic and Clinical Pathology by the American Board of Pathology, he served as a member of the Institutional Credential Committee for 20 years and in 1965 became Director of Laboratories at Providence Medical Center in Kansas City, KS and subsequently Medical Director of the School of Medical Technology, under whose tenure 173 medical technologists graduated from 1965 to 1990. Following his retirement in 1994, he remained Clinical Professor at the University of Kansas and UMKC Schools of Medicine and continued to serve as a consultant in pathology and laboratory medicine.

His special interests including general pathology, surgical pathology, interpretation of clinical laboratory tests, transfusion medicine, and the clinical relevance of laboratory testing, Dr. Jacobs is affiliated with numerous medical associations: a Fellow of the American College of Physicians, the College of American Pathologists, and the American Society of Clinical Pathologists; a member of the International Academy of Pathology and the Kansas Medical Society; Editorial Board member and Book Review Editor of *Kansas Medicine*; past President of the Kansas Society of Pathologists, the Kansas City Society of Pathologists, and the Medical Staff of the Providence Medical Center; member of the Board of Directors of the Wyandotte Medical Society, and inspector for the College of American Pathologists and for the American Association of Blood Banks.
