Introduction

Approx. 2 cubic feet

The records of the trade association contain correspondence, financial records, newsletters, and planning materials for conventions and board meetings, and documents related to a dispute over a manual which the Association sold. The records primarily cover the period 1965-1990.

The trade association was founded in 1965 as the Independent Hermetic Rebuilders Association. It later changed its name to the Refrigeration Compressor Rebuilders Association, and then to the International Refrigerator Compressor Remanufacturers Association.

Donor Information

Olive Snider donated the papers to the University of Missouri on 3/24/1994 (Accession KA0798).

Location note

The collection is stored offsite and will need to be retrieved before viewing.
