**Scope and Content Note:**

The collection consists of six photographs pertaining to bands and musicians. Five of these photographs feature band groups and the sixth photograph is of an individual musician named Leo F. Forbstein, who was the head of the Warner Bros. Music Department from 1926 until his death in 1948. The latter photograph is signed by Forbstein and is addressed to a John Perdina, who is presumably a family member of Millietta Perdina Carpenter.

Of particular interest is a group photograph addressed to the American Federation of Musicians of Kansas City, Missouri, No. 34, complaints of an E. P. James.

All photographs in this collection are undated.
