This collection includes a commencement program for the "Class of 1935" at St. James Grade School in St. James in Phelps County, Missouri, and a diploma issued to Eunice Giesler, a member of the class.

Commencement exercises for St. James Grade School were held on 16 May 1935. There were 25 students in the graduating class, including Eunice Giesler, for whom there is also a diploma certifying that she was now "entitled to enter high school." Also named in the program were the participants in the day's events, class officers, and the school's principal and the school district's superintendent.
