This is *Eminence Centennial Days 1868-1968*, a booklet compiled from articles in *The Current Wave* newspaper concerning the celebration in 1968 of the centennial of the founding of Eminence in Shannon County, Missouri.

Eminence is the seat of Shannon County, Missouri. Throughout 1968 the town celebrated the centennial of its establishment with special activities and programs. This 90-page softbound booklet was compiled from articles about the centennial celebration that appeared in the local newspaper, *The Current Wave*. There are many photographs of the celebrants, most of them dressed in "old-time" clothes, and the activities in which they participated.
