

## Information Sheet

**R**      **Chereté Study Club (Joplin, Mo.).**  
**1025**      **Booklets, 1956-1963.**  
                 **One folder.**

This collection is available at [The State Historical Society of Missouri](http://The State Historical Society of Missouri). If you would like more information, please contact us at [shsresearch@umsystem.edu](mailto:shsresearch@umsystem.edu).

These are annual program booklets for 1956-1957, 1958-1959, 1962-1963, and 1963-1964 for the Chereté Study Club, a women's study club at Joplin in Jasper County, Missouri. Included are lists of members, officers, committees, past presidents, and a schedule of meetings and programs.

The Chereté Study Club first met in 1937. Membership was limited to 25 women, plus occasional honorary and associate members. The purpose of the organization was self-improvement through the study and discussion of various topics. The club met for dessert luncheons and fellowship on the first and third Mondays of each month. There are four booklets in this collection: 1956-1957, 1958-1959, 1962-1963, and 1963-1964. They are similar in format and content.
