This is a program booklet for "Joyland," an evening of musical and dance entertainment presented as a fundraiser for the Springfield Kiwanis Club's Crippled Children's Fund under the direction of the Physical Education Department of Southwest Missouri State Teachers College. The event was held in the Shrine Mosque at Springfield in Greene County, Missouri, on 16 December 1936.

"Joyland" was an evening of twenty short musical and dance numbers performed by students from kindergarten through college. In keeping with the season, the vignettes had winter and Christmas themes. This twelve-page booklet includes a program for the evening's entertainment and many advertisements for area businesses.
