This is a “souvenir and program book” for the seventh annual Dixon Bluegrass Pickin’ Time, held on 29-31 August 1975 at the Fairview Community Center near Dixon in Pulaski County, Missouri. Included are a schedule of events, photographs of featured performers, and many advertisements for area businesses.

The first bluegrass festival at Dixon was held in 1968, and by 1975 it was a well-established event. The three-day celebration featured well-know bands, workshops, an old-time fiddlers contest, gospel singing, and informal jam sessions.
