S0001 (SA0011, SA0032)
ACADEMY OF SCIENCE OF ST. LOUIS RECORDS

This collection is available at The State Historical Society of Missouri Research Center- St. Louis. If you would like more information, please contact us at stlouis@shsmo.org.

Introduction

Approximately 4 cubic feet, 3 microfilm rolls

The records of the Academy of Science of St. Louis contains meeting minutes and copies of its journal, "Transaction of the Academy of Science of St. Louis." Established in 1856 by twelve prominent St. Louis residents, the Academy of Science's mission was to promote the advancement of science.

Donor Information

The records were donated to University of Missouri by Donn Brazier on February 1, 1971 (Accession No. SA0011). An addition was made on April 14, 1971 by the Academy of Science of St. Louis (Accession No. SA0032).

Copyright and Restrictions

The Donor has given and assigned to the University of Missouri all rights of copyright which the Donor has in the Materials and in such of the Donor's works as may be found among any collections of Materials received by the University from others.
