### Introduction

Approximately 24.8 cubic feet, 14 photographs

The records of the American Chemical Society, St. Louis Section, contain correspondence, meeting minutes, subject files, and issues of the "The Chemical Bond," documenting the group's mission to promote the field of chemistry. Founded in 1907, the St. Louis Section's members have included pioneers in chemistry who helped make St. Louis a chemical manufacturing center.

### Donor Information

The records were donated to University of Missouri by Thomas Jones on August 2, 1974 (Accession No. SA0082). An addition was made on August 9, 1974 by Thomas Jones (Accession No. SA0466). An addition was made on February 13, 1978 by Jane Miller (Accession No. SA1199). An addition was made on September 7, 1982 by Thomas Jones (Accession No. SA2487). An addition was made on January 5, 1983 by Thomas Layloff (Accession No. SA2504). An addition was made on March 14, 1983 by Thomas Layloff (Accession No. SA2517). An addition was made on May 23, 1983 by Leo Malone (Accession No. SA2537). An addition was made on May 26, 1983 by Charles Hobbs (Accession No. SA2538). An addition was made on May 26, 1983 by Richard J. Day (Accession No. SA2539). An addition was made on April 30, 1987 by Colleen Wickey (Accession No. SA2784). An addition was made on January 21, 1992 by Thomas Jones (Accession No. SA3037). An addition was made on May 4, 1993 by Donna Friedman (Accession No. SA3117). An addition was made on August 20, 1993 by William Doub (Accession No. SA3125). An addition was made on March 11, 1994 by S. Saidq Shah (Accession No. SA3143). An addition was made on March 15, 2000 by J.E. White (Accession No. SA3371). An addition was made on March 29, 2001 by Lawrence Barton (Accession No. SA3399).
