Historical Note:

See the collection information folder for the historical note.

Arrangement:

The collection has been arranged by the year the State Historical Society of Missouri accessioned them.

Scope and Content Note:

The collection primarily consists of histories, directories, ordinances, and reports documenting various aspects of St. Louis County's government, including air pollution, traffic safety, housing, zoning, and recreation. Materials of interest include a report commissioned by the Historic Buildings Commission of the St. Louis County Department of Parks and Recreation titled *One Hundred Historic Buildings in St. Louis County*. The report includes brief histories, photographs, and floor plans of the historic structures identified by the Historic Buildings Commission. The materials in this collection are arranged chronologically, dating from 1942 to 1977.
