Introduction
Approximately 2 cubic feet

The St. Louis Local History Collection is an artificial collection comprised of various small donations documenting the history of St. Louis City, neighborhoods, and historic structures. The collection includes reports, newspaper clippings, pamphlets, and unpublished manuscripts regarding Pruitt-Igoe, Mill Creek Valley, Laclede's Landing, and the Ville.

Donor Information
The St. Louis Local History Collection is an artificially created collection consisting of single-item donations. The accession number is SA0018. See the collection information folder for donor information.

Copyright and Restrictions
Materials in this collection may be protected by copyrights and other rights. See Rights & Reproductions on the Society’s website for more information about reproductions and permission to publish.
