Scope and Content Note:

St. Louis Metropolitan Medical Society Library

The St. Louis Metropolitan Medical Society Library series contains history, newspaper clippings, and correspondence regarding medical topics in Missouri and the United States, including hospitals, the Missouri Medical Service, and the Missouri State Medical Association. The materials in this series are arranged alphabetically, dating from 1902 to 1986.

Article Abstracts

The Article Abstracts series consists of abstracts of articles published in medical journals written by St. Louis area doctors from 1868 to 1978. The materials in this series are arranged alphabetically by author.

Publications

The Publications series primarily contains medical journals and annual reports pertaining to medicine and the medical profession. Publications of interest include Transactions of the Missouri State Medical Association and The Journal of the Missouri State Medical Association. The materials in this series are arranged alphabetically, dating from 1810 to 1963.

Artifacts

The Artifacts series consists of three artifacts: an etching, an engraver's block, and a copper relief. The artifacts are arranged by date, from 1907 to 1936.

Photographs

The Photographs series consists of images of St. Louis-area medical professionals and facilities. The materials in this series are arranged by their numeric identifiers.
