

The Eastern Missouri Collection (S1135)

Collection Number: S1135

Collection Title: The Eastern Missouri Collection

Dates: 1850-2009

Creator: The State Historical Society of Missouri

Abstract: The Eastern Missouri Collection is an artificial collection combining miscellaneous small acquisitions related to Missouri places, individuals, organizations, and events. The Eastern Missouri Collection continues to have material added to it. New additions are added at the end of the collection. Researchers should browse the index and container lists to locate pertinent material.

Collection Size: 1 cubic foot
(45 folders, 1 reel of 16mm film, 1 reel of microfilm, 8 oversize items)

Language: Collection materials are in English.

Repository: The State Historical Society of Missouri

Restrictions on Access: Collection is open for research. This collection is available at [The State Historical Society of Missouri-Research Center, St. Louis](#). If you would like more information, please contact us at stlouis@shsmo.org. Collections may be viewed at any research center.

Restrictions on Use: Materials in this collection may be protected by copyrights and other rights. See [Rights and Reproductions](#) on the Society's website for more information about reproductions and permission to publish.

Preferred Citation: [Specific item; box number; folder number] *The Eastern Missouri Collection* (S1135); The State Historical Society of Missouri Research Center-St. Louis [after first mention may be abbreviated to SHSMO-STL].

Donor Information: See the collection information folder for donor information.

Related Materials: Additional materials related to the Eastern Missouri Collection can be found in the following collections:

The Missouri Collection (C3982)

The Western Missouri Collection (K1050)

Accruals: Further accruals are expected regularly.

Separated Material: The materials from the Oversize series are located in Oversize Cabinet One. The microfilm is located in the microfilm cabinet.

Processed by: Processed by the Claire Marks, August 2017; revised by AJ Medlock, December 2017

Historical Note:

See the collection information folder for the historical note.

Arrangement:

The collection has been arranged into the following three series:

Manuscripts and Photographs
Audio-Visual Materials
Oversize

Scope and Content Note:

Manuscripts and Photographs

This series contains letters, postcards, photographs, booklets, pamphlets, maps, and ribbons relating to Eastern Missouri places, individuals, organizations, and events. Subjects include Union Station, the 1904 Louisiana Purchase Exposition, Natural Bridge Road in St. Louis, the St. Louis Botanical Gardens, and civil defense. The series is arranged chronologically by the year the State Historical Society of Missouri accessioned them.

Audio-Visual Materials

This series contains a reel of film and a roll of microfilm pertaining to Eastern Missouri places. The reel of film contains photography of Highway 70 going west before and after the addition of the Florissant Road exit in St. Louis County. The microfilm (ANSI Format) contains the minutes of the St. Louis County Historic Buildings Commission, from 1956 to 1990. The materials are arranged chronologically by the year the State Historical Society of Missouri accessioned them.

Oversize

This series contains posters, photographs, and a political cartoon pertaining to Eastern Missouri places, individuals, organizations and events. Subjects include the Carl Milles Fountain at Union Station, Homer G. Phillips Hospital, an advertisement for a musical concert featuring Elvis Presley, Johnny Cash, and Carl Perkins, and the construction of KETC's Television tower in 1953. The materials are arranged chronologically by the year the State Historical Society of Missouri accessioned them.
