**Introduction**

Approximately 2 cubic feet

The records of the West County Democrats contain agendas, board and general meeting minutes, bylaws, correspondence, directories, and reports collected and maintained by previous co-chairs of the organization. Former Senator Harriet Woods and Jo Ann Fox Hughes were among the founding members of the West County Democrats and held the club's first meetings in the summer of 2001. Since its founding, the West County Democrats have grown to a membership of nearly 170 individuals, who continue to meet monthly and invite guest speakers to lecture on a variety of political issues affecting Missouri and the United States.
